SUBJECT:-

Sir,

I have the honour to state that the Cooch Behar Durbar propose to revise their Motor Vehicles Rules on the lines of the model Motor Vehicle Rules as framed under the Motor Vehicles Act, 1939 in force in British India.

I, therefore, request you if there is no objection to let me know what is the position so far as the palace cars of your State are concerned in the matter of registration of such cars and licensing of drivers etc. Is any exemption granted, if so, up to what limit? Are the drivers of such cars obliged to obtain licenses from the licensing authority?

The favour of an early reply will be much appreciated.

I have the honour to be,

Sir,

Your most obedient servant,

My dear Mr.Ramakrishna Rao,

With reference to your memo No.114 dated 31st July 1918 I am directed to say that all that the Officer in charge of the Palace Garage has to do is to have two boards coloured red with the word "MYSORE" and the serial number painted white on each of them for each car. One board will be used at the front of the car and the other behind. The board will be somewhat like this:-

If a serial number is given to a car it should always bear that number and it should not be changed. The boards are to be used only when the cars are taken outside the Mysore State.

It is unnecessary to get the Palace cars registered by the District Magistrate.

Yours sincerely,
